Executive Summary

This consultation seeks stakeholders' views on a template developed by CESR for the Key Investor Information document for UCITS. The template reflects the content of Commission Regulation (EU) 583/2010 implementing Directive 2009/65/EC of the European Parliament and of the Council as regards key investor information and conditions to be met when providing key investor information or the prospectus in a durable medium other than paper or by means of a website. It shows the type of contents and layout that UCITS management companies would be expected to follow for a standard UCITS.

Questions for the consultation

2. Do you have any other suggestions?
